

PRODUCT SPOTLIGHT

ConMet aluminum hubs can now be offered with the spindle nut that will give your truck and trailer a 3 year, 300,000 mile warranty.

By adding the ConMet spindle nut you are not only choosing a quality product that is made right here in America, but you are also saving time when changing the hubs!

Ask any associate on our parts sales team and we would be glad to help you save time and money in the long run.

Note: Warranty may be voided for various reasons .

Please see warranty page for further details. <https://conmet.com/wp-content/uploads/2019/08/Limited-Warranty-PreSet-Hub-10084340-Rev-B.pdf>
