While performing the duties of this job, the employee is frequently (3-6 hrs) required to:

- reach
- bend, stoop, or crouch
- lift/carry 50 lbs.
- lift/carry/hold 50 lbs. above head

While performing the duties of this job the employee is occasionally (1-3 hrs) required to:

- climb stairs or ladders

Work Environment:

- The work environment characteristics describes here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is regularly (6-8 hours per day) exposed to grease, oils, solvents, moving parts, fumes, toxic or caustic chemicals, electrical shock or airborne particles, welding techniques, arcs, hot flames, and high temperatures. The noise level in the work environment is usually moderate to excessive.
- The employee is regularly exposed to outside weather conditions, including both hot and cold weather.
- The employee is occasionally exposed to high precarious places.

Working Hours:

- Usually weekdays (Monday through Friday), 8:00 a.m. through 5:00 p.m. or variable as required.

Statement of Intent:

- The above statements are intended to describe the general nature of level of work performed by the person assigned to this position. Essential job functions and responsibilities are intended to describe those functions that are essential to the performance of the job under the American with Disabilities Act (ADA). This job description does not state or imply that the above are the only duties, functions or responsibilities assigned to this position. Employees holding this position will be required to be any other job related duties as requested by management. All requirements are subject to possible modification to reasonably accommodate individuals with disabilities.

Management Right:

- JKI management reserves the right to change, modify, restrict, resend, or add essential job functions, responsibilities, duties, qualifications, skill or demands at anytime, with or without prior approval. Written notification of such will be issued to the employee with adequate compliance time allowable by governing laws and agencies. Compensation may or may not be added, at the managements discretion, for said changes, modifications, additions, etc. This job description in no way modifies the employee's "at-will" status, or JKI "at-will" employment agreement with the employee. Just as the employee can at anytime, for any or no reason leave our employ, so can JKI do the same.

I acknowledge that I have received a copy of the job description for the position I am applying for at Jerry & Keith's, Inc. and that I am physically, mentally, and willing to adhere to the requirements set forth in said description.
