

Service Line Card

Truck and Trailer Parts and Service **2814 Landco Drive** **Bakersfield, CA**

Air Systems

We diagnose and repair air systems on trucks, trailers, RV's, military and emergency vehicles.

Alignment

We specialize in front end alignments, drive axle alignments, and trailer axles. We also spin and balance steer axles.

Brake Systems

We diagnose and repair brake and ABS systems on trucks, trailers, RV's, military and emergency vehicles.

Drivetrain

We replace clutches along with flywheels that we machine in house. We also R&R drivelines, differentials, and transmissions.

Drum and Rotor Turning

We machine brake rotors and drums in house on our brake lathe.

Small & Medium trailers

We pack wheel bearings, repair/replace axles, and much more.

Electrical

We repair/replace lights and wiring. We also wire/re-wire ABS and RSS systems.

Exhaust Repair

We replace exhaust pipes, flex pipes, and leaking exhaust clamps.

Fifth- Wheels

We rebuild, adjust, and replace fifth wheels. We replace trailer kingpins and fabricate new plates.

Front-End Work

We diagnose, repair and replace steering boxes and pumps. We also do complete front end repairs (kingpins, springpins, etc.)

Inspections

We are qualified to do 90 day and annual DOT inspections along with General PM inspections.

U-Bolts

We can bend U-Bolts in house and make them to your specs.

Suspensions

We repair and replace all types of truck and trailer suspensions (Air and Spring ride).

Trailer Repair

We repair/replace doors, hinges, body panels, kemlite, insulation foam, floors, wood decking, upper & lower rails.

Trailer Axles

We repair and replace all types of axles. We scribe axles and do minor straightening of axles.

Welding/Fabrication

We do Mig, Tig, and heli-arc. We can also weld aluminum and stainless steel. We also do custom fabrication.

Oil and Filter Services

We do regular services including oil changes, coolant changes, and other services. Baldwin is our preferred filter.

Belt Trailers

We are the certified Trinity trailer dealer for the central valley and can repair all parts on Trinity belt trailers.
